

## MODUL

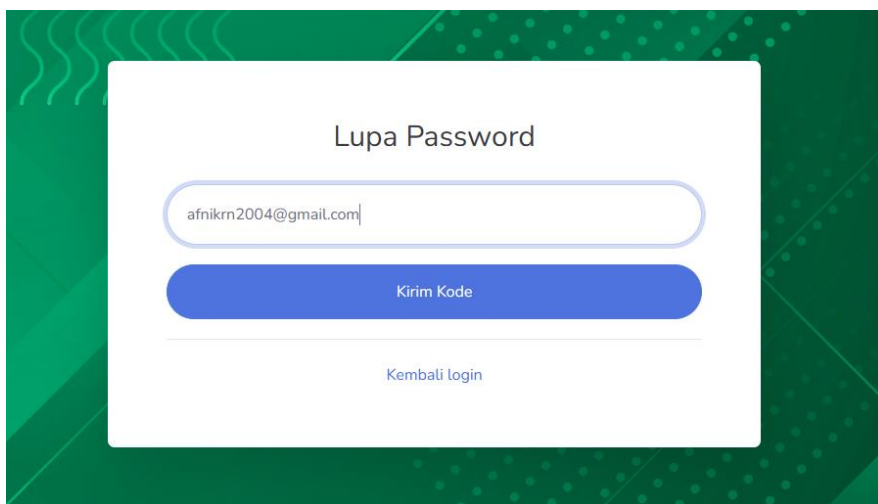

### LUPA PASSWORD

- Pengguna memiliki opsi untuk mengklik tautan "Lupa Kata Sandi" jika mereka lupa kata sandi mereka.
- Website akan mengarahkan pengguna ke halaman pemulihan kata sandi.
- Pengguna diminta untuk memasukkan alamat email terkait dengan akun mereka.
- Website akan mengirimkan kode unik pemulihan kata sandi ke alamat email tersebut.

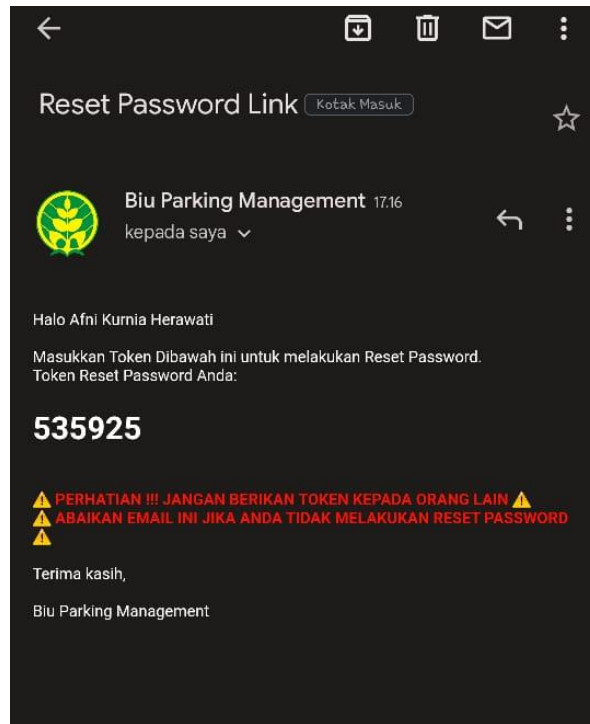

The screenshot shows a white rectangular form centered on a dark green background with a pattern of light green dots and wavy lines. The form has the title "Lupa Password" at the top. Below the title is a text input field with the placeholder text "Masukan Email Anda". Underneath the input field is a blue button with the text "Kirim Kode". At the bottom of the form, there is a link that says "Kembali login".

***Gambar 2. Halaman Forget Password***

This screenshot is identical to the previous one, but the text input field now contains the email address "afnikrn2004@gmail.com". The blue "Kirim Kode" button and the "Kembali login" link remain in the same positions.

*Gambar 4. Email Token*

A screenshot of a "Lupa Password" (Forgot Password) form. The form is white with a green background featuring a pattern of dots and lines. The title "Lupa Password" is centered at the top. Below the title, a light green box contains the text: "Token sukses terkirim. Silakan periksa email yang terdaftar." and "\*Jika tidak muncul di kotak masuk, mohon cek folder spam di Gmail." Below this box are three input fields: the first contains the token "535925", the second is a password field with dots, and the third is a confirmation password field with dots and a toggle icon. At the bottom is a blue button labeled "Ubah Password" (Change Password).
